RECIPE

 ROUND-UP

November, 1967

Foreword

It gives me great pleasure to write a foreword to this Recipe Book. The Young Wives of Holy Trinity Church are always very willing to share their baking with those in trouble in the Parish and I feel sure that those who have been helped by them will be able to recommend to all the excellence of the recipes printed herein.

They have compiled this book for the pleasure and profit of the Parochial District of Waiuku and as Vicar I thank you for supporting this fine group in their venture.

BRIAN J. STYCH L. Th.
Vicar.

Compiled by Waiuku Young Wives' Group to raise funds for the new Parish Hall. November, 1967

The Group wish to thank most sincerely the businessmen of Waiuku, without whose advertising support it would just not have been possible to produce this recipe book. We realise that the calls upon them are many, and we feel it is a great commentary on their faith in this community that support is always so readily given.
